PART: B ANSWER KEY

STD: 8

SUBJECT: ENGLISH

MARKS: 40

TIME: 2 Hours

Q.1 (A) Read the following extracts and answer the following questions.

(6)

The next week Amit and Bhupen joined the camp. On the first day they went out to explore the forest. They saw many birds, insects and animals. During the night they lost their way.

(1) What did the boys see in the forest?

Ans: The boys saw many birds, insects and animals in the forest.

(2) Who went out to explore the forest?

Ans: Amit and Bhupen went out to explore the forest.

All of a sudden there came three goats. They were hungry. They saw the broad and soft green leaves of the babool tree. They ran to it and started eating its leaves. Ouch!Ouch! goats, please don't eat my leaves, cried the Babool tree. The goats replied, we are very hungry. Your leaves are very tender and tasty. We will eat them all. The goats ate up all the leaves of the Babool tree.

(3) What did the goats see?

Ans: The goats saw broad and soft green leaves of the babool tree.

(4) Who ate up all the leaves of the babool tree?

Ans: The goats ate up all the leaves of the babool tree.

Dirty air, land and water are dangerous. Dirty air or smog is hard to breathe and makes people and animals sick. Dirty water makes people and animals sick when they drink it or wash with it or live in it. It also kills plants. If land absorbs too much of waste, nothing will grow on it and it becomes unfit to live on.

(5) What is dangerous?

Ans: Dirty air, dirty land and dirty water are dangerous.

(6) What makes people and animals sick?

Ans: Dirty air or smog is hard to breathe and make people and animals sick.

(B) Read the following stanza and answer the questions.

(4)

I told them when I grow up,

I'm not going to be a scientist,

Or someone who reads the news on TV. No.

I want to be free.

I'M GOING TO BE A TREE!

(1) What does the child want to be in the first stanza?

Ans: The child wants to be a tree in the first stanza.

(2) Which word rhymes with 'tree'?

Ans: The word 'free' rhymes with the word 'tree'.

Red, Red the sun is red
When he is going out of bed,
I like red, don't you?
Yellow, yellow flowers are yellow
Sunflowers standing in a row,
I like yellow, don't you?

(3) What is the colour of the sun?

Ans: The colour of the sun is red.

(4) Who are standing in a row?

Ans: Sunflowers are standing in a row.
